The name of the Society is CHILLIWACK PARK SOCIETY

The purposes of the Society are:

Our main purpose is to advocate for revitalizing existing and creating new park and green space in Chilliwack that fosters active, healthy lifestyles whilst simultaneously protecting associated flora and fauna. The following details our purposes more specifically with applicable activities:

- (a) To create sustainable parks in this growing, dynamic, and environmentally diverse area.
- (b) To encourage non motorized outdoor activity (eg. playing, walking, hiking, running and cycling) to promote healthy living for individuals and collectively on a community level.
- (c) To preserve natural ecosystems for physical outdoor activity, nurturing biodiversity, native plants and wildlife corridors.
- (d) To educate citizens regarding the value of both natural ecosystems and structured city park green spaces in the maintenance of physical, mental and community health.
- (e) To foster participation by holding community events throughout the year that encourage local citizens to practically improve public park space with activities such as trail building and rejuvenating existing parks.
- (f) To collaborate with other societies and organizations, forming partnerships to achieve the goals listed above.
